THE MAKING of clothes
to measure involves
many intricate opera-
tions, each of these operations
must be performed by an
expert, otherwise the suit is
irretrievably ruined and not
fit to wear.

Our Chicago Clothes Makers,
Ed. V. Price & Co., select
their operatives with care
and every man in their employ represents
the best in the professions represented. This
means more money expended, for high
grade tailors command the best wages, but
it also means better made, better fitting
clothes for you at less price than the small
tailor can or will give you.

They have facilities for absolutely fitting each
suit over the lines and curves of the body—
suits that carry distinctiveness and style and
are their own insurance on durability.

Call and see the 500 Fall fabrics we are
now showing.

Vigorous Styles for Young Men

There is a vast difference between the clothing requirements
of the YOUNG MAN and those of his elders. He likes a certain in-
definable breeze and snap to his apparel that is in keeping with his
vigorous spirits and his pure and unrestricted enjoyment of life.
That we bear these points in mind when serving the younger element
of the trade, is the principal cause for our great success among them.
The designers, cutters and tailors of the

CONTINENTAL TAILORING COMPANY, Chicago

for whom we are exclusive representatives in this territory, are con-
stantly studying the requirements of the young man (as we have just
described them), and if you are seeking such service at reasonable
prices, you can do no better than to pay us a visit. We carry their
complete line on display, comprising over 4000 different patterns in
the latest foreign and domestic woolsens.
